Meeting called to order at 7:01

- review mission statement

- guests to welcome: Fred Feng

Adopted Agenda: changes to agenda -

Annual Meeting plans, Milan based advocacy group

Adopted Secretary's Report - July Minutes

Treasurer's Report: Adopted Treasurer's Report

Public Comment

Project that Fred Feng is working on with U of M involving VR and potential for drivers training awareness of cycling risks.

Project Updates

1. Board Comment Policy adopted
2. Membership Update - 6 new members, potential partnership with Michigan cycling club
3. 2020 Project Status Document - Think about goals moving forward with new council, move things off backburner
4. Ann Arbor - Ypsilanti Bicycle link subcommittee - what we would like to see will determine moving forward. Focus on Packard - "May use full lane" signage along the corridor in coordination with AA, Pittsfield, Ypsi Township, Ypsilanti, WATS. Potentially sharrows. Could include schools, PEAC, Bike Ypsi for support.

5. Status of MI House Bill 4733 - Hopefully we can get more information soon
6. Equitable A2 Trust - explore possible involvement
7. A2: Anti Healthy Streets Resolution - reachout concerning the potential for evaluation if the program is ended early.

Communications

Meetings

Transportation commission -

Accepting applications for the commission, extrapolation of recent crash data highlights dangers to pedestrians from left turning cars on Huron.

7th street committee - Speeding still an issue, possibility of raised crosswalks/intersections.
Working on more comprehensive data collecting from speed detection signs.

New Business

Annual Meeting - Zoom? Combine with the bike summit?

Bike pump installation in Milan, Moving Forward Milan - Approved allowing up to \$400 to be contributed towards the pump.
