Meetings

Alt Meeting -

Low stress network map, downtown healthy streets improvements (90 days), Scooter data becoming available

City Council -

State crosswalk law - does state law supercede local law!? What should WBWC do to again address this before the next CC meeting?

Transportation commission -

Healthy neighborhoods street success, push for making these transformations permanent?

Collect stories to reinforce this data.

Sub Committee - digging deeper into the crash data analysis, 2019 74 pedestrian accidents (77 pedestrians involved), 3 are in RRFB, 3 people were hit by their own car.

New Business

Ypsilanti/Ann Arbor Connection

Lowering Speeds - “20 is Plenty”

Millage support? Vote

Wrap up / Looking ahead:
