Public Comment

- Nishant: Brought up people-protected bike lanes (people standing as barriers to protect bicyclists). E.g. Stadium; Main St and William.
- Jeff: Reported there was a showing of Killed by a Traffic Engineer at the library.

Directors' reports

- December meeting minutes approved.

Meeting Updates

- Bike Summit - Matt and Larry attended.
- Matt went to a meeting hosted by Kirk between AAATA and UofM for expanded transportation options. Participants included members of a university club that advocates for micro-mobility.
